

SUMMER ENVIRONMENTAL EDUCATION (EE) ACADEMY 2018

FE3: Facilitating Excellence in Environmental Education

July 10- 12, 2018

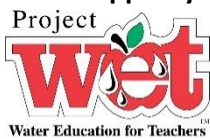

9:00 am – 3:00 pm per session

To take place at Kellogg Environmental Center, Derby CT, Connecticut Forest and Park Association
Rockfall, CT and off site locations

Registration is Free

Three day professional development series for elementary and secondary education professionals focused on integration of environmental resources into curriculum. During your experience you will:

- Receive a stipend for your participation- 100.00
- Integrate Climate Change Curriculum topics for grades K-12
- Identify partners and locations for real world explorations
- Meet Resource professionals and scientists
- Develop your units/themes that support NGSS
- Actively apply lessons in the outdoors using a variety of locations
- Develop your school in the Green LEAF program
- **Obtain a library of resources to support your curriculum**

This series is open to all educators in the state of Connecticut. Registration is required and can be completed [electronically using this link](#). For more information or to answer any questions please contact any of the state coordinators listed below.
