 Dms:  $\frac{52}{64}$ " x  $\frac{58}{64}$ " x  $\frac{55}{64}$ "

No. in burr *1-3* Shll. Flvr. *med. to good*  
 Frm. Pellicle *Thin* Txtre. *Fine-crisp*  
 Color of nut *Dark* Color of ker. *lt. yellow* Bitterness  
 Down *Very little*

COMMENTS in re size of burr, husking qual. etc.

*med. size - very dark. med. flavor. Kernel still a little green. Will probably clean well when riper. - Observe*
