

Kansas City, Mo.  
Martin Chasson  
City Forester

4/24/50 - 20 FP-378 *Quercus acutissima*  
12 FP-1225 *Q. mollissima*

9/26/50 - more than 90% of trees still living. Most of  
of the chestnuts planted the the Blue Ridge  
Nursery, 54th & Blue Ridge, K.C., Mo., but  
one is planted at 126th & Holmes, Martin  
City, Mo., & in Swopes Park Greenhouse in  
K.C. While latter 2 trees are very sturdy &  
insect free, they haven't grown much. The  
oaks are doing remarkably well & are free  
from insects. One at Martin City has grown (over)
