Seed memo. sent '44

4/2/37 - 20 FP. 462 *C. mollissima*

11/27/39 - See BSC report in file

9/19/44 - All living except 1 or 2; very small  
yet, but growing nicely; something  
just riddling leaves; extended drought  
but trees have been well watered.

July, 1946 - 12 living. Insects attack
