Attached please find the Environmental Assessment Summary for the above referenced project. Scoping for the project began on May 5, 2015 and ended on June 4, 2015.

The Department of Public Health (DPH) prepared an internal memorandum dated June 4, 2015 and received comments from Department of Energy & Environmental Protection (DEEP) on June 4, 2015. The Town of Burlington provided a response to the DPH memorandum on June 22, 2015. The DPH will coordinate with the Town of Burlington to ensure that the DEEP's recommendations will be implemented. Based on the DPH's review of the comments and responses received, it is recommended that an Environmental Impact Evaluation (EIE) is not warranted for this project.
