

# 2020 Introduction To The Fire Service Connecticut Fire Academy

**Session One—July 13th to July 18th for Ages 14-17**

Introduction To The Fire Service (ITTFS) is an immersive, residential program designed to provide youths between the ages of 14 and 17 with an opportunity to explore the Fire Service. A strong emphasis is placed on teamwork, self- and mutual respect and character as students select their own leaders and learn the basics of Fire Department organization, the Incident Command System and the core fire-ground skills required of successful engine, ladder and rescue company personnel.

ITTFS courses are taught by a small, hand-picked and specially trained team of instructors. The environment that they create in ITTFS provides a safe, empowering, inclusive, positive, teamwork and character based learning experience. Over the years, participation in ITTFS has inspired graduates to become full members of their Fire Departments, seek out college opportunities within Fire and EMS and to earn positions as career Firefighters.

Accepted students will reside at the Connecticut Fire Academy for the duration of the class. Lodging, meals and some uniform items are included in the course tuition. Male and female ITTFS Instructors are on site 24 hours a day during each class.

The Department of Energy & Environmental Protection, Division of Forestry may have special grant funds available to assist a limited number of students in this class. A special application is available from the Division of Forestry. For questions concerning the DEEP grant program contact Kevin Grady at [kevin.grady@ct.gov](mailto:kevin.grady@ct.gov) or 860-455-0699.
