A minimum of 12 applicants are required for local examinations. In the event there are fewer than the required 12 applicants at the exam site, the Commission reserves the right to charge the requesting department or organization an examination administration fee.

As preconditions for this request, the Requester will ensure that the following requirements are met:

1. A minimum of 12 fire fighters will be seated for the above examination(s) and each fire fighter shall have demonstrated proficiency in all skill evolutions identified for that level of certification, having been observed and evaluated in the accomplishment of those skills by a Certified Fire Service Instructor.
2. Local records concerning the evaluation of candidates are maintained by the Certified Fire Service Instructor, including copies of the checklists and evaluation sheets used in examining the practical skills proficiency of each applicant for certification.

3. **All applicants for the examination must show a form of photo identification prior to any testing procedure.**
4. All applications for the examination must be properly completed and submitted a minimum of **10 days** prior to the examination date requested. **Applications submitted which are incomplete or not received 10 days prior to the examination date will be rejected.**
5. A complete set of directions to the examination location from the nearest major State Route/Interstate Highway are included with this application.

If a check, money order, or purchase order is not enclosed with this application, please complete the following information for billing purposes. The Commission **cannot** bill and individual (must be a fire department or business).
