Clifford Bullock, R-5 Contractor had attended the August 15, 2014 Elevator Installation, Repair, and Maintenance Work Examining Board meeting and requested that the Board consider his request for a modification of equipment definitions stated in Connecticut Regulation Sec. 20-332-3a, Licensing of Accessibility Contractors and Journeymen. At this time, the Board suggested that he submit additional information.

Mr. Bullock appeared today with manufacturer brochures of the equipment that he is addressing and reiterated his concern about these overhead patient lifts.
