Reconsideration

Reinstatement

Arrow, Michael M- Lapsed 1/31/90- Completed new application and provided a notarized statement of not signing or sealing during lapsed period.

Excerpt from July 2015 minutes- “The Board noted that since the applicant was not practicing or currently licensed in another state during the lapsed period, the applicant is subject to paying all back fees to qualify for reinstatement.

Motion made by (1) seconded by (8) to reinstate license subject to payment of all reinstatement fees. Motion carried.”

The Board held a discussion regarding the policy of fees for reinstatement; that those applicants whose license expired over five years may complete an application and pay the reciprocity application fee as long as the applicant has continuously held a license in another jurisdiction.

Motion made by (7) seconded by (1) not to reconsider and to stand by the Board’s previous decision to reinstate subject to payment of all back fees. Motion carried.

Applicant sent a letter dated 12/1/15 requesting the board to reconsider the fees.

Motion made by (7) seconded by (8) to adjourn. Motion carried

Meeting adjourned at 9:58 am.

The next meeting is scheduled for February 9, 2016.
