Notes:

- (1) Sunday wagering became effective May 31, 1981.
- (2) PA 91-309 established a dual tax rate effective July 1, 1992: a sliding scale for Plainfield Greyhound Park and continuation of the existing fixed rate of 7.25% for any new greyhound racing facility. The takeout changed from 19% (plus breakage) to 20% (plus breakage) and the specific allocation to purses as provided for under C.G.S. Section 12-575 was increased from 3.5% to 4.0%. The sliding scale established for Plainfield Greyhound Park wagering was as follows:
5% on handle up to \$25 million; 6% on handle from \$25 million to \$50 million; 7% on handle over \$50 million to \$80 million; 7.5% on handle over \$80 million to \$105 million; and 8.5% on handle over \$105 million.
- (3) PA 93-332 changed the tax rate for parimutuel wagering as follows: 2% on handle up to \$50 million; 3% on handle over \$50 million to \$80 million; 4% on handle over \$80 million; and a tax equal to 1/2 breakage to the dime resulting from such wagering.
- (4) Plainfield Greyhound Park closed for the season on May 14, 2005.
