***FINAL DECISION***

JNS Development, LLC has submitted an application for a permit to divert waters of the state in connection with the construction of a planned unit development in Plainville. Following a hearing, the parties submitted an agreed draft decision, which was adopted by the hearing officer in her Proposed Final Decision. This proposed decision also recommends that I issue the permit, a draft of which is appended to that decision as Attachment I.

I affirm the Proposed Final Decision and adopt the hearing officer's recommendation to issue the permit as revised in accordance with staff's proposed changes as set forth in the Agreed Draft Decision.
