

## DEEP Authorized Clean Wood Processing Facilities

Revised 1-24-2019

The following Facilities are authorized under the Department's Commercial "General Permit" (GP) to accept and process clean wood including leaves and grass clippings for recycling and reuse. Additionally, some Volume Reduction Facilities may also accept and process clean wood, leaves and/or grass clippings, among other solid waste/materials, all depending on its Department's "Individual Permit" (IP). The Department recommends contacting the Facility to confirm what materials are authorized to be accepted.

Company	Permit Type	Facility Address	Town	Contact	Phone
Acorn Trading Park	GP	845 Carrington Rd.	Bethany	Theron Simons	203-509-1288
Advanced Construction and Tree Removal LLC	GP	87 Boardman Rd.	New Milford	Joe Quaranta	860-355-3222
