

## Connecticut Recycling Market Development Council

First meeting:

**March 26, 2013: 1:00pm – 2:30pm**

Conference Room 4B  
DEEP Headquarters, 79 Elm Street, Hartford, CT

The Recycling Market Development Council proposes to be a stakeholder group that will be facilitated by Sherill Baldwin of CT DEEP. Market Development Councils in other states have included appointed councils, subcommittee of trade associations and/or non-profit organizations formed to support market development. DEEP, in partnership with DECD, NSWMA, CBIA, individual businesses, organizations and others will seek to bring as many voices to the table as possible.

Business-to-business partnerships, public-private partnerships, multi-state regional partnerships, even international partnerships are crucial to the recycling industry as a whole.

### Proposed Agenda:

1. Introductions
2. What is market development mean for recycling/reuse
3. Role of Council
4. Structure of Council
5. Developing Goals and Objectives
6. Possible Projects
7. Other
8. Next steps
  - a. Who isn't at the table; who do we need to reach out to
  - b. Good meeting dates/times – SWAC subcommittee (webpage)
  - c. Other
