Re: 2007-1 Legislation and Regulations Advisory

The 2006 Legislature amended section 8-7d of the general statutes with the passage of Section 1 of Public Act 06-80. This Public Act amended several subsections of 8-7d that went into effect on October 1, 2006.

As you are aware, the Inland Wetlands and Watercourses Act (IWWA) incorporates the timing provisions of section 8-7d by reference. Such section describes, among other things, time frames for processing applications by planning and zoning commissions and inland wetlands agencies. Public Act 06-80 amended subsection (a) of 8-7d which may affect certain inland wetlands agency regulations.

Subsection (a) of 8-7d authorizes that inland wetlands agencies may provide an additional notice of petitions, applications, requests, or appeals to persons who own land that is adjacent to the land that is the subject of the hearing. The amendment to subsection (a) specifies some of the requirements for such notice should the inland wetlands agency choose to include such additional notice. The relevant language reads as follows:

"...In addition to such notice, such commission, board or agency may, by regulation, provide for additional notice. Such regulation shall include provisions that the notice be mailed to persons who own land that is adjacent to the land that is the subject of the hearing or be provided by posting a sign on the land that is the subject of the hearing, or both. For purposes of such additional notice, (1) proof of mailing shall be evidenced by a certificate of mailing, and (2) the person who owns land shall be the owner indicated on the property tax map or on the last completed grand list as of the date such notice is mailed."

A complete copy of Public Act 06-80 is attached for your use with the revised language underlined. If your regulations provide for such notice, you should plan to revise your regulations to reflect the amendment to subsection (a) of 8-7d. Please note that only the revised language in subsection (a) of 8-7d is relevant to inland wetlands agencies. Changes to the other subsections of 8-7d, while noted and underline, do not apply to inland wetlands agencies.

If your regulations follow the Inland Wetlands and Watercourses Model Municipal Regulations (IWWMMR) Fourth Edition dated May 1, 2006, you should plan to revise Appendix B of your regulations as such appendix contains section 8-7d of the general statutes. Attached for your use is a copy of a new Appendix B that contains the revised language of section 8-7d of the general statutes.

Please be reminded it is our understanding that the relevant portions of Section 1 of Public Act 06-80 govern until such time that your regulations are revised.

Should you have any further questions regarding the above changes, please feel free to contact Darcy Winther or Steven F. Tessitore of the Wetlands Management Section at (860) 424-3019.
