**RE:** 2013 Statewide Severe Weather Exercise Update # 7 - Make Safe Activities

---

Thank you for your participation in the recent Statewide Teleconference Call discussing the upcoming Statewide Severe Weather Exercise. As discussed, CL&P is planning to coordinate Make Safe activities for both days of the exercise, June 20<sup>th</sup> and 22<sup>nd</sup>. Additionally, they will conduct a demonstration session including electric, cable and telecommunications providers from their Torrington facility at 174 Franklin Street. This demonstration is open to municipality representatives between 9 and 11 a.m., both days and attendance can be confirmed with CL&P. For registration and/or questions regarding any Make-Safe activity, please contact Dean Desautels at [dean.desautels@nu.com](mailto:dean.desautels@nu.com) or at 860.665.2064.

Attached you will find a Make Safe Quick Reference Guide for local use.

If you have any questions, or if you require any additional information regarding the Statewide Exercise, please contact us at DEMHS via e-mail at [demhs.eppi.questions@ct.gov](mailto:demhs.eppi.questions@ct.gov).

Sincerely,

William P. Shea
