DWS Circular Letter #2019-25

To: Community and Non-Transient Non-Community Public Water Systems
From: Lori J. Mathieu, Public Health Section Chief 
Date: November 4, 2019
Subject: Safe Drinking Water Primacy Assessment Annual Report

On November 1, 2019, pursuant to section 75 of Public Act 19-117, the Department of Public Health (DPH) posted on its Internet web site a report that includes: (1) Resources, activities and costs that support DPH's ability to maintain primacy under the federal Safe Drinking Water Act; (2) the number of full-time equivalent positions that performed the required functions to maintain primacy in the previous fiscal year; and (3) quality improvement strategies DPH has deployed to streamline operations to make efficient and effective use of staff and resources. A copy of the report is available on the DPH Internet web site at <https://portal.ct.gov/DPH/Drinking-Water/DWS/Safe-Drinking-Water-Primacy-Assessment>.

There is a thirty day public comment period following the posting of the report. Persons wishing to provide comments regarding the report are invited to do so in writing to: Justin Milardo, DPH Drinking Water Section, 410 Capitol Avenue, MS#12DWS, Hartford, CT 06134 or to DPH.Fee@ct.gov. At the conclusion of such public comment period, the Commissioner of DPH is required to submit the report and summary of comments received to the Governor and the public health committee of the General Assembly.
