Dear Lori:

In accordance with Connecticut General Statutes Section 25-33h, the Eastern Connecticut Water Utility Coordinating Committee (WUCC) has prepared the attached Final Integrated Report and Final Executive Summary for the Eastern Connecticut Public Water Supply Management Area. Submission of these reports conclude the two-year planning process begun in June of 2016. Please post these documents to the Eastern WUCC webpage.

The Eastern WUCC looks forward to working with DPH to implement the recommendations of the Final Integrated Report. Please contact us with any questions.

Very Truly Yours,
