Healthy Connecticut 2020 State Health Improvement Plan Advisory Council Meeting

Tuesday, March 31, 2015

9:00-12:00

State Lab - 395 West St. Rocky Hill

Welcome and Introduction

Agenda

- 9:00 Welcome & Introductions
- 9:30 State of the SHIP
- 10:00 What Are We Trying to Accomplish This Year?
- 10:30 Logistics for Action: Formation of Action Teams
- 11:15 Next Steps

Introductions

- Name & Agency/Organization
- What do you hope to get out of participating on the Advisory Council and the SHIP Implementation?
- What do you hope to contribute to the Advisory Council and the SHIP Implementation?
- Share something that people might not know about you.

State of the SHIP

Refining the SHIP

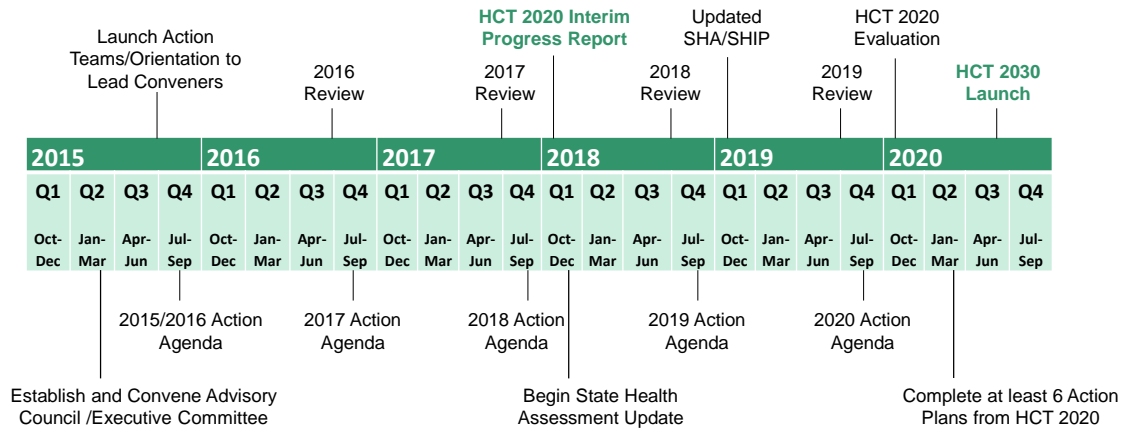

- Plan is a living document - refinements needed as implementation evolves
 - Phase 1 and 2 Objectives
 - Data and targets
 - More realistic
 - Objectives that are not measurable but may have good proxy measures
 - Data refinement: Injury and Violence Prevention
 - Strategies – based on best evidence

Monitoring Performance

Roles and Responsibilities

Example: Suggested Formation of Action Teams

- XYZ organization is identified as Lead convener for MICH
 - XYZ has an existing state-wide network of partners already working on MICH
 - They invite several other partners to join them in forming the MICH Action Team.
- XYZ as lead convener with the action team discusses and completes the Action Agenda.
 - Identify and catalog what is happening already
 - Align to SHIP Phase 1 Objectives
 - Identify and prioritize strategies that a critical mass of partners will address
- The Action Agenda is implemented by XYZ and the key partners on the Action Team
 - Partners go back to their own Coalitions, programs they are working on and align/refine their work to this agenda/strategies
 - They may organize into subgroups to address specific areas
- Recommendations and progress are reported back to the Advisory Council
