

FY20 WIC VENDOR AGREEMENT
APPENDIX B- MINIMUM INVENTORY REQUIREMENTS

For food stores, all food items below are required of vendor applicants awaiting pre-authorization visits and all currently authorized food stores. For pharmacies, only infant formula is required of vendor applicants awaiting pre-authorization visits and all currently authorized pharmacies.

At all times, the vendor must maintain each of the following WIC approved foods in the quantities stated with future expiration dates on the shelves or store premises. To ensure constant availability of WIC approved foods to WIC customers, a vendor may have to stock these food items in larger quantities than is required. See the WIC Approved Food Guide for specific products and brand names allowed. This minimum inventory serves 2-3 WIC participants.
