### **State of Connecticut Department of Social Services Shaken Baby Syndrome Prevention Program Specialist 11/4/2011 Request for Qualifications**

The State of Connecticut Department of Social Services is issuing Addendum 1 to the Shaken Baby Syndrome Prevention Program Specialist 11/4/2011 Request for Qualifications (RFQ). In the event of any inconsistency between information provided in the RFQ and information in this addendum, the information in this addendum shall control.

This addendum clarifies Section III.C, QUALIFICATION SUBMISSION, of the RFQ. This addendum also contains questions submitted by interested parties and the official responses of the Department of Social Services to those questions. These responses shall clarify the requirements of the RFQ.

#### Clarification to Section III.C, QUALIFICATION SUBMISSION, of the RFQ

The second paragraph on page 18 is deleted in its entirety and replaced with the following.

To be eligible to submit a response to this RFQ, a respondent must have the following minimum qualifications: 1) a Bachelor's, Master's or Doctoral degree in behavioral science (including but not limited to anthropology, psychology, and sociology), education, health education, health services administration, nursing, public administration, public health, nursing, or other closely related health or human services field; 2) A minimum of three years of demonstrated experience in developing presentations, facilitating training, and public speaking in the health and human services field; 3) a current and valid Connecticut driver's license; 4) minimum automobile insurance coverage for Third Party Liability of \$50,000/\$100,000 and Property Damage Liability of \$5,000; and 5) the willingness and ability to work 40 hours per week, based in the Department's Central Office at 25 Sigourney Street, Hartford, Connecticut, and to travel throughout Connecticut using the respondent's personal vehicle.

#### Questions and Answers

1. *Question:* Will the Program Specialist be permitted to work remotely on those days that daily activities do not require a physical presence at the base office at 25 Sigourney Street, Hartford?

*Answer:* No, the Department is seeking to contract with a person under a personal services agreement to provide full-time services for the benefit of the Department. The contractor will be expected to work a traditional 40-hour-per-week schedule. The contractor will be required to have a physical presence at the Department's central office when not engaged in work that requires the contractor's physical presence at the locations of the Department's program partners, health and community-based providers, or other relevant parties.

2. *Question:* Will it be permissible for the Program Specialist to work some of the 40 hours/week during non-traditional (evening/weekend) hours?

*Answer:* The Department is seeking to contract with a person under a personal services agreement to work a traditional 40-hour-per-week schedule, which is when the majority of the Department's staff, program partners, health and community-based providers, and other relevant parties are available. Occasionally, the contractor may need to work some evening or weekend hours to meet the Department's service requirements. In such circumstances, the Department's prior approval will be required.

3. *Question:* Will the Program Specialist need to report to a supervisor/point person on a daily basis for scheduling matters, or will the Program Specialist determine his/her own schedule and manage absences (vacation/illness/PL), and reflect the shorter work schedule on submitted invoices?

*Answer:* The Program Specialist will be required to report to the Department's program representative for matters related to work schedule and service requirements. The Program Specialist may request the Department's prior approval for unpaid vacation, sick, and personal leave within reason.

The LOI must clearly identify the sender, including name, postal address, telephone number, fax number, and e-mail address.

**8. Inquiry Procedures.** All questions regarding this RFQ or the Department's procurement process must be submitted to the Official Contact before the deadline specified in the Procurement Schedule. The early submission of questions is encouraged. Questions will not be accepted or answered verbally – neither in person nor over the telephone. All questions received before the deadline(s) will be answered. However, the Department will not answer questions when the source is unknown (i.e., nuisance or anonymous questions). Questions deemed unrelated to the requirements of the RFQ or the procurement process will not be answered. At its discretion, the Department may or may not respond to questions received after the deadline. If this RFQ requires a Letter of Intent, the Department reserves the right to answer questions only from those who have submitted such a letter. The Department may combine similar questions and give only one answer. All questions and answers will be compiled into a written amendment to this RFQ. If any answer to any question constitutes a material change to the RFQ, the question and answer will be placed at the beginning of the amendment and duly noted as such. The agency will release the answers to questions on the date(s) established in the Procurement Schedule. The Department will publish any and all amendments to this RFQ on the State Contracting Portal and on the Department's RFQ Web Page. At its discretion, the Department may distribute any amendments to this RFQ to prospective respondents who submitted a Letter of Intent. **Submissions must include a signed Addendum Acknowledgement, which will be placed at the end of any and all amendments to this RFQ.**

**9. Submission Due Date and Time.** The Official Contact is the **only authorized recipient** of submissions received in response to this RFQ. Submissions must be received by the Official Contact on or before the due date and time:

- Due Date: December 19, 2011
- Time: 3:00 p.m. Eastern Time

Faxed or e-mailed submissions will not be evaluated. The Department shall not accept a postmark date as the basis for meeting the submission due date and time. Respondents should not interpret or otherwise construe receipt of a submission after the due date and time as acceptance of the submission, since the actual receipt of the submission is a clerical function. The Department suggests the respondent use certified or registered mail, or a delivery service such as United Parcel Service (UPS) to deliver the submission when the respondent is unable to deliver the submission by courier or in person. When hand-delivering qualifications, respondents should allow extra time to comply with building security procedures. Submissions shall not be considered received by the Department until they are in the hands of the Official Contact or another representative of the Contract Procurement Unit designated by the Official Contact. At the discretion of the Department, late submissions may be destroyed or retained for pick-up by the submitters.

An acceptable submission must include the following:

- one (1) original submission;
- four (4) conforming copies of the original submission; and
- two (2) conforming electronic copies (one copy on each of two separate Compact Disks clearly labeled with the Legal Name of the respondent and the RFQ name or number): **Shaken Baby Syndrome Prevention Program Specialist Request for Qualifications 11/4/2011.**

The original submission must carry original signatures and be clearly marked on the cover as "Original." Unsigned submissions may not be evaluated. The original submission and each conforming copy of the submission must be complete, properly formatted and outlined, and ready for evaluation by the Screening Committee. **The**

**electronic copies of the submission must be compatible with Microsoft Office Word 2003.** For the electronic copies, only the required Appendices and Forms identified in Section IV may be scanned and submitted in Portable Document Format (PDF) or similar file format.

**10. Multiple Submissions.** Multiple submissions are not an option with this procurement.

**11. Declaration of Confidential Information.** Respondents are advised that all materials associated with this procurement are subject to the terms of the Freedom of Information Act (FOIA), the Privacy Act, and all rules, regulations and interpretations resulting from them. If a respondent deems that certain information required by this RFQ is confidential, the respondent must label such information as CONFIDENTIAL. In Section C of the submission, the respondent must reference where the information labeled CONFIDENTIAL is located in the submission. *EXAMPLE: Section G.1.a.* For each subsection so referenced, the respondent must provide a convincing explanation and rationale sufficient to justify an exemption of the information from release under the FOIA. The explanation and rationale must be stated in terms of (a) the prospective harm to the competitive position of the respondent that would result if the identified information were to be released and (b) the reasons why the information is legally exempt from release pursuant to C.G.S. § 1-210(b).

**12. Conflict of Interest - Disclosure Statement.** Respondents must include a disclosure statement concerning any current business relationships (within the last three (3) years) that pose a conflict of interest, as defined by C.G.S. § 1-85. A conflict of interest exists when a relationship exists between the respondent and a public official (including an elected official) or State employee that may interfere with fair competition or may be adverse to the interests of the State. The existence of a conflict of interest is not, in and of itself, evidence of wrongdoing. A conflict of interest may, however, become a legal matter if a respondent tries to influence, or succeeds in influencing, the outcome of an official decision for their personal or corporate benefit. The Department will determine whether any disclosed conflict of interest poses a substantial advantage to the respondent over the competition, decreases the overall competitiveness of this procurement, or is not in the best interests of the State. In the absence of any conflict of interest, a respondent must affirm such in the disclosure statement. *Example: “[name of respondent] has no current business relationship (within the last three (3) years) that poses a conflict of interest, as defined by C.G.S. § 1-85.”*

#### ■ D. SUBMISSION FORMAT

The Executive Summary shall include: a) the respondent’s minimum of three years of demonstrated experience in developing presentations, facilitating training, and public speaking in the health and human services field; and b) a statement that the respondent agrees to work 40 hours per week, based in the Department’s Central Office at 25 Sigourney Street, Hartford, Connecticut, and to

Any received submission that does not conform to these packaging or labeling instructions will be opened as general mail. Such a submission may be accepted by the Department as a clerical function, but it will not be evaluated. At the discretion of the Department, such a submission may be destroyed or retained for pick-up by the submitters.

## ■ E. EVALUATION OF SUBMISSIONS

1. **Evaluation Process.** It is the intent of the Department to conduct a comprehensive, fair, and impartial evaluation of submissions received in response to this RFQ. When evaluating submissions, negotiating with the successful respondent, and awarding a contract, the Department will conform with its written procedures for PSA procurements (pursuant to C.G.S. § 4-217) and the State's Code of Ethics (pursuant to C.G.S. §§ 1-84 and 1-85).
2. **Screening Committee.** The Department will designate a Screening Committee to evaluate qualifications submitted in response to this RFQ. The contents of all submissions, including any confidential information, will be shared with the Screening Committee. Only submissions found to be responsive (that is, complying with all instructions and requirements described herein) will be reviewed, rated, and scored. Submissions that fail to comply with all instructions will be rejected without further consideration. Attempts by any respondent (or representative of any respondent) to contact or influence any member of the Screening Committee may result in disqualification of the respondent.
3. **Minimum Submission Requirements.** All submissions must comply with the requirements specified in this RFQ. To be eligible for evaluation, submissions must (a) be received on or before the due date and time; (b) meet the Submission Format requirements; (c) follow the required Submission Outline; and (d) be complete. Submissions that fail to follow instructions or satisfy these minimum submission requirements will not be reviewed further. The Department will reject any submission that deviates significantly from the requirements of this RFQ.
4. **Evaluation Criteria (and Weights).** Submissions meeting the Minimum Submission Requirements will be evaluated according to the established criteria. The criteria are the objective standards that the Screening Committee will use to evaluate the technical merits of the submissions. Only the criteria listed below will be used to evaluate submissions. The criteria are weighted according to their relative importance. The weights are confidential.
  - Qualification Submission
  - Appendices
5. **Respondent Selection.** Upon completing its evaluation of submissions, the Screening Committee will submit the rankings of all submissions to the Department head. The final selection of a successful respondent is at the discretion of the Department head. Any respondent selected will be so notified and awarded an opportunity to negotiate a contract with the Department. Such negotiations may, but will not automatically, result in a contract. Pursuant to Governor M. Jodi Rell's Executive Order No. 3, any resulting contract will be posted on the State Contracting Portal. All unsuccessful respondents will be notified by e-mail or U.S. mail, at the Department's discretion, about the outcome of the evaluation and respondent selection process.

- 6. Debriefing.** After receiving notification from the Department, any respondent may contact the Official Contact and request a Debriefing of the procurement process and its submission. If respondents still have questions after receiving this information, they may contact the Official Contact and request a meeting with the Department to discuss the procurement process. The Department shall schedule and conduct Debriefing meetings that have been properly requested, within fifteen (15) days of the Department's receipt of a request. The Debriefing meeting must not include or allow any comparisons of any submissions with other submissions, nor should the identity of the evaluators be released. The Debriefing process shall not be used to change, alter, or modify the outcome of a competitive procurement. More detailed information about requesting a Debriefing may be obtained from the Official Contact.
- 7. Appeal Process.** Any time after the submission due date, but **not later than thirty (30) days** after the Department notifies respondents about the outcome of a competitive procurement, respondents may submit an Appeal to the Department. The e-mail sent date or the postmark date on the notification envelope will be considered "day one" of the thirty (30) days. Respondents may appeal any aspect of the Department's competitive procurement; however, such Appeal must be in writing and must set forth facts or evidence in sufficient and convincing detail for the Department to determine whether during any aspect of the competitive procurement there was a failure to comply with the State's statutes, regulations, or standards concerning competitive procurement or the provisions of the RFQ. Any such Appeal must be submitted to the Agency Head with a copy to the Contract Administrator. The respondent must include the basis for the Appeal and the remedy requested. The filing of an Appeal shall not be deemed sufficient reason for the Department to delay, suspend, cancel, or terminate the procurement process or execution of a contract. More detailed information about filing an Appeal may be obtained from the Official Contact.
- 8. Contest of Solicitation or Award.** Pursuant to Section 4e-36 of the Connecticut General Statutes, "Any bidder or proposer on a state contract may contest the solicitation or award of a contract to a subcommittee of the State Contracting Standards Board..." More detailed information is available on the State Contracting Standards Board web site at <http://www.ct.gov/scsb/site/default.asp>.
- 9. Contract Execution.** Any contract developed and executed as a result of this RFQ is subject to the Department's contracting procedures, which may include approval by the Department of Administrative Services and Office of the Attorney General.

### ■ B. ASSURANCES

*By submitting qualifications in response to this RFQ, a respondent implicitly gives the following assurances:*

- 1. Collusion.** The respondent represents and warrants that the respondent did not participate in any part of the RFQ development process and had no knowledge of the specific contents of the RFQ prior to its issuance. The respondent further represents and warrants that no agent, representative, or employee of the State participated directly in the preparation of the respondent's submission. The respondent also represents and warrants that the submission is in all respects fair and is made without collusion or fraud.
- 2. State Officials and Employees.** The respondent certifies that no elected or appointed official or employee of the State has or will benefit financially or materially from any contract resulting from this RFQ. The Department may terminate a resulting contract if it is determined that gratuities of any kind were either offered or received by any of the aforementioned officials or employees from the respondent, contractor, or its agents or employees.
- 3. Competitors.** The respondent assures that the submission is not made in connection with any competitor submitting a separate submission in response to this RFQ. No attempt has been made, or will be made, by the respondent to induce any competitor to submit, or not submit, qualifications for the purpose of restricting competition.

4. **Validity of Submission.** The respondent certifies that the submission represents a valid and binding offer to provide services in accordance with the terms and provisions described in this RFQ and any amendments or attachments hereto. The submission shall remain valid for a period of 180 days after the submission due date and may be extended beyond that time by mutual agreement. At its sole discretion, the Department may include the submission, by reference or otherwise, into any contract with the successful respondent.
5. **Press Releases.** The respondent agrees to obtain prior written consent and approval of the Department for press releases that relate in any manner to this RFQ or any resultant contract.

## ■ C. TERMS AND CONDITIONS

*By submitting qualifications in response to this RFQ, a respondent implicitly agrees to comply with the following terms and conditions:*

1. **Equal Opportunity and Affirmative Action.** The State is an Equal Opportunity and Affirmative Action employer and does not discriminate in its hiring, employment, or business practices. The State is committed to complying with the Americans with Disabilities Act of 1990 (ADA) and does not discriminate on the basis of disability in admission to, access to, or operation of its programs, services, or activities.
2. **Preparation Expenses.** Neither the State nor the Department shall assume any liability for expenses incurred by a respondent in preparing, submitting, or clarifying any qualifications submitted in response to this RFQ.
3. **Exclusion of Taxes.** The Department is exempt from the payment of excise and sales taxes imposed by the federal government and the State. Respondents are liable for any other applicable taxes.
4. **Changes to Submission.** No additions or changes to the original submission will be allowed after submission. While changes are not permitted, the Department may request and authorize respondents to submit written clarification of their submissions, in a manner or format prescribed by the Department, and at the respondent's expense.
5. **Supplemental Information.** Supplemental information will not be considered after the deadline for submissions, unless specifically requested by the Department. The Department may ask a respondent to give demonstrations, interviews, oral presentations or further explanations to clarify information contained in a submission. Any such demonstration, interview, or oral presentation will be at a time selected and in a place provided by the Department. At its sole discretion, the Department may limit the number of respondents invited to make such a demonstration, interview, or oral presentation.
6. **Presentation of Supporting Evidence.** If requested by the Department, a respondent must be prepared to present evidence of experience, ability, data reporting capabilities, or other information necessary to satisfactorily meet the requirements set forth or implied in this RFQ. At its discretion, the Department may also check or contact any reference provided by the respondent.
7. **RFQ Is Not An Offer.** Neither this RFQ nor any subsequent discussions shall give rise to any commitment on the part of the State or the Department or confer any rights on any respondent unless and until a contract is fully executed by the necessary parties. The contract document will represent the entire agreement between the respondent and the Department and will supersede all prior negotiations, representations or agreements, alleged or made, between the parties. The State shall assume no liability for costs

incurred by the respondent or for payment of services under the terms of the contract until the successful respondent is notified that the contract has been accepted and approved by the Department and, if required, by the Attorney General's Office.

#### ■ D. RIGHTS RESERVED TO THE STATE

*By submitting qualifications in response to this RFQ, a respondent implicitly accepts that the following rights are reserved to the State:*

1. **Timing Sequence.** The timing and sequence of events associated with this RFQ shall ultimately be determined by the Department.
2. **Amending or Canceling RFQ.** The Department reserves the right to amend or cancel this RFQ on any date and at any time, if the Department deems it to be necessary, appropriate, or otherwise in the best interests of the State.
3. **No Acceptable Submissions.** In the event that no acceptable qualifications are submitted in response to this RFQ, the Department may reopen the procurement process, if it is determined to be in the best interests of the State.
4. **Award and Rejection of Submissions.** The Department reserves the right to award in part, to reject any and all submissions in whole or in part, for misrepresentation or if the submission limits or modifies any of the terms, conditions, or specifications of this RFQ. The Department may waive minor technical defects, irregularities, or omissions, if in its judgment the best interests of the State will be served. The Department reserves the right to reject the submission of any respondent who submits qualifications after the submission due date and time.
5. **Sole Property of the State.** All qualifications submitted in response to this RFQ are to be the sole property of the State. Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of this RFQ shall be the sole property of the State, unless stated otherwise in this RFQ or subsequent contract. The right to publish, distribute, or disseminate any and all information or reports, or part thereof, shall accrue to the State without recourse.

7. **Clerical Errors in Award.** The Department reserves the right to correct inaccurate awards resulting from its clerical errors. This may include, in extreme circumstances, revoking the awarding of a contract already made to a respondent and subsequently awarding the contract to another respondent. Such action on the part of the State shall not constitute a breach of contract on the part of the State since the contract with the initial respondent is deemed to be void *ab initio* and of no effect as if no contract ever existed between the State and the respondent.

## ■ E. STATUTORY AND REGULATORY COMPLIANCE

*By submitting qualifications in response to this RFQ, the respondent implicitly agrees to comply with all applicable State and federal laws and regulations, including, but not limited to, the following:*

- 1. Freedom of Information, C.G.S. § 1-210(b).** The Freedom of Information Act (FOIA) generally requires the disclosure of documents in the possession of the State upon request of any citizen, unless the content of the document falls within certain categories of exemption, as defined by C.G.S. § 1-210(b). Respondents are generally advised not to include in their submissions any confidential information. If the respondent indicates that certain documentation, as required by this RFQ, is submitted in confidence, the State will endeavor to keep said information confidential to the extent permitted by law. The State has no obligation to initiate, prosecute, or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information pursuant to a FOIA request. The respondent has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. While a respondent may claim an exemption to the State's FOIA, the final administrative authority to release or exempt any or all material so identified rests with the State. In no event shall the State or any of its employees have any liability for disclosure of documents or information in the possession of the State and which the State or its employees believe(s) to be required pursuant to the FOIA or other requirements of law.
- 2. Contract Compliance, C.G.S. § 4a-60 and Regulations of CT State Agencies § 46a-68j-21 thru 43, inclusive.** CT statute and regulations impose certain obligations on State agencies (as well as contractors and subcontractors doing business with the State) to insure that State agencies do not enter into contracts with organizations or businesses that discriminate against protected class persons.
- 3. Consulting Agreements, C.G.S. § 4a-81.** Submissions for State contracts with a value of \$50,000 or more in a calendar or fiscal year, excluding leases and licensing agreements of any value, shall require a consulting agreement affidavit attesting to whether any consulting agreement has been entered into in connection with the submission. As used herein "consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the State, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction, requests for information or (C) any other similar activity related to such contract. Consulting agreement does not include any agreements entered into with a consultant who is registered under the provisions of C.G.S. Chapter 10 as of the date such affidavit is submitted in accordance with the provisions of C.G.S. § 4a-81. The respondent may upload the Consulting Agreement Affidavit (OPM Ethics Form 5) through an automated system hosted by the Department of Administrative Services (DAS)/Procurement Division, and the Department of Social Services will review said document online. The [DAS guide to uploading affidavits and nondiscrimination forms online](#) is embedded in this RFQ as a hyperlink.  
**IMPORTANT NOTE:** A respondent must complete and submit OPM Ethics Form 5 by the due date and time for submissions in response to this RFQ.

4. **Gift and Campaign Contributions, C.G.S. §§ 4-250 and 4-252(c); Governor M. Jodi Rell's Executive Orders No. 1, Para. 8 and No. 7C, Para. 10; C.G.S. § 9-612(g)(2).** If a respondent is awarded an opportunity to negotiate a contract with an anticipated value of \$50,000 or more in a calendar or fiscal year, the respondent must fully disclose any gifts or lawful contributions made to campaigns of candidates for statewide public office or the General Assembly. Municipalities and CT State agencies are exempt from this requirement. The successful respondent may upload the Gift and Campaign Contributions Certification (OPM Ethics Form 1) through an automated system hosted by the Department of Administrative Services (DAS)/Procurement Division, and the Department of Social Services will review said document online. A nondiscrimination certification is required for all State contracts – regardless of type, term, cost, or value. Municipalities and CT State agencies are exempt from this requirement. The successful respondent may upload the Nondiscrimination Certification through an automated system hosted by the Department of Administrative Services (DAS)/Procurement Division, and the Department of Social Services will review said document online. ### III. PROGRAM INFORMATION

#### ■ A. DEPARTMENT OVERVIEW

The Department of Social Services provides a broad range of services to the elderly, persons with disabilities, families, and individuals who need assistance in maintaining or achieving their full potential for self-direction, self-reliance, and independent living. It administers more than 90 legislatively authorized programs and one third of the State budget. By statute it is the State agency responsible for administering a number of programs under federal legislation, including the Rehabilitation Act, the Food Stamp Act, the Older Americans Act, and the Social Security Act. The Department is also designated as a public housing agency for the purpose of administering the Section 8 program under the federal Housing Act.

The Department is headed by the Commissioner of Social Services and there is a deputy commissioner for programs. There is a regional administrator responsible for each of the three service regions. By statute there is a statewide advisory council to the Commissioner and each region must have a regional advisory council.

The Department administers most of its programs through offices located throughout the State. Within the Department, the Bureau of Rehabilitation Services provides vocational rehabilitation services for eligible individuals with physical and mental disabilities at 23 offices throughout the State. For the other programs, services are available through 12 offices located in the three regions, with central office support located in Hartford. In addition, many services funded by the Department are available through community-based agencies including the 156 senior centers throughout Connecticut. The Department has out-stationed employees at hospitals to expedite Medicaid applications and funds healthy start sites, which can accept applications for Medicaid for pregnant women and young children. Many of the services provided by the Department are available via mail or telephone call.

There are four entities attached to the Department for administrative purposes only. They are the Commission on Aging, the Commission on the Deaf and Hearing Impaired, the Board of Education and Services for the Blind, and the Child Day Care Council.

#### **Department Mission**

The Connecticut Department of Social Services provides a continuum of core services to:

- Meet basic needs of food, shelter, economic support, and health care
- Promote and support the choice to live with dignity in one's own home and community
- Promote and support the achievement of economic viability in the workforce

We gain strength from our diverse environment to promote equal access to all Department programs and services.

#### **Department Vision**

The Connecticut Department of Social Services is people working together to support individuals and families to reach their full potential and live better lives. We do this with humanity and integrity.

## ■ B. PROGRAM OVERVIEW

The Children's Trust Fund (CTF) is a Division of the State of Connecticut Department of Social Services. CTF invests in several major initiatives that help ensure the positive growth and development of children by helping to support and strengthen families – especially those for whom the risk of abuse and neglect is very real. CTF programs reach more than 15,000 families every year.

Shaken Baby Syndrome (SBS) is the term used to describe the many serious and often fatal injuries that result when an infant is violently shaken.

Shaken baby syndrome is caused by a violent whiplash-type motion of the head that causes the brain to rotate within the skull cavity, injuring or destroying brain tissue. At least 1,200 to 1,400 children in the United States are injured or killed by shaking every year. There are more than 12 diagnosed cases of shaken baby syndrome in Connecticut each year – and the actual number of cases is probably even higher.

About 25 percent of shaken babies die as a result of their injuries. Of the children who survive, 80 percent suffer permanent disabilities such as severe brain damage, cerebral palsy, mental retardation, behavioral disorders, and impaired motor and cognitive skills. Eighty-five percent of children who die or are permanently disabled by being shaken are between the ages of birth and one.

Recent research has linked prolonged crying -- especially in the early months of life -- with shaken baby syndrome. Episodes of crying can last for a couple of hours -- and even longer for some babies.

New studies show that it is not enough to simply tell parents not to shake their baby -- the information must get beyond the parents and to the babysitters who are responsible for up to 20 percent of the incidences of shaken baby syndrome.

This is especially important for young people to know. Middle school and high school students have little experience with infants and crying, and yet up to 60 percent of them have babysitting responsibilities for small children.

It takes just one brief moment to shake a baby -- one brief moment for a young person to make a tragic mistake.

Recent research has found that educating caregivers about the dangers of shaking a baby, and how to cope with crying reduces incidences of shaken baby syndrome by about one half.

The Period of Purple Crying is an evidence-based program developed by the National Center on Shaken Baby Syndrome. The program approaches Shaken Baby Syndrome Prevention (SBSP) by helping parents and caregivers understand the frustrating features of crying in normal infants that can lead to shaking or abuse.

The resultant contractor shall perform the following specific activities to promote SBSP within hospitals throughout Connecticut:

1. Identify champions of SBSP in three to five interested hospitals and work with such individuals to overcome barriers to the implementation of the Period of Purple Crying program within the hospitals;
2. Provide training to such hospitals to implement the Period of Purple Crying program;

3. Work within such hospitals and the community to raise funds to support the Period of Purple Crying program and SBSP; and
4. Develop and maintain a Microsoft Office Excel database to collect, compile, and analyze quantitative and qualitative data in order to document, monitor, and evaluate the project activities undertaken and the effect of those activities on the program goal.
