Sec. 17b-535. (Formerly Sec. 17a-375). Advisory committee. There shall be an Advisory Committee on Continuing Care appointed by the commissioner. The advisory committee shall be comprised of professionals such as accountants, actuaries, and insurance representatives; representatives of the continuing-care industry; and others knowledgeable in the field of continuing care and familiar with the provisions of sections 17b-520 to 17b-535, inclusive. The advisory committee shall assist the continuing-care staff in its review and registration of functions, shall report to the commissioner on developments in the field, any special problems associated with continuing care, and concerns of providers and residents, and, when appropriate, shall recommend changes in relevant statutes and regulations.
