I understand that the minimum charge for a transcript is \$20.00, payment of which is due upon submitting this request. If the cost of the transcript exceeds \$20.00, the remaining amount becomes due when the transcript has been produced. The \$20.00 minimum payment will be deducted from the total amount owed. By signing below, I agree that once the transcript has been produced, I am responsible for payment in the amount of \$3.50 per page or \$5.00 per page. If the length of the transcript dictates (or if the transcript is needed expeditiously), we may send the transcript request to an outside vendor. The outside vendor charges \$5.00 per page and any outside vendor will bill you directly.
