Tax Return for Persons in Possession of Unstamped Cigarettes

Rev. 12/01

Conn. Gen. Stat. §12-316 imposes a cigarette tax on the storage or use within Connecticut of any unstamped cigarettes in the possession of any person other than a licensed cigarette distributor or licensed cigarette dealer, or a carrier for transit from outside Connecticut to a licensed cigarette distributor or licensed cigarette dealer in Connecticut. *Unstamped cigarettes* are cigarettes in packages that do not bear stamps evidencing payment of the **Connecticut** cigarette tax. Under Conn. Gen. Stat. §12-320, the cigarette tax does not apply, and you need not file this return, if you bring no more than 200 cigarettes into Connecticut on your person or in accompanying baggage. In addition to the cigarette tax, unstamped cigarettes are also subject to Connecticut sales and use tax. You must attach an original or a photocopy of the invoice or numbered slip that was issued at the time of purchase. Enter on Line 9 the amount that you paid for the unstamped cigarettes, including shipping and handling charges. If you paid sales or use tax to another jurisdiction on your purchase of unstamped cigarettes, you may enter on Line 12 the amount of sales or use tax paid to the other jurisdiction as long as the invoice or slip shows the amount of tax paid to the other jurisdiction. **You must file this return within 24 hours after coming into possession of unstamped cigarettes.**
