Complete this form in blue or black ink only. Do not use staples.
Please note that each form is year specific. The correct year's form must be used.
Use Form CT-1120DL to claim the credit allowed under Conn. Gen. Stat. § 12-217dd for the donation of open space land, and to carry forward and utilize any remaining credit allowed under Conn. Gen. Stat. § 12-217ff for the donation of land for educational use in prior income years.

## Credit Computation

A tax credit is allowed against the Corporation Business Tax in an amount equal to $50 \%$ of any donation of open space land or land for educational use. In order to qualify for the credit, the land must be donated for educational use, permanently preserved as protected open space, or used as a public water supply source.
For purposes of calculating the credit, the amount of donation shall be based on the difference between the use value of the donated land and the amount received for the land.

## Carryforward/Carryback

## Applicable to Credits Claimed Prior to Income Year 2013

Any remaining donation of open space land tax credit balance that exceeded the tax credit applied may be carried forward for 25 succeeding income years.
Any remaining donation of land for educational use tax credit balance that exceeded the tax credit applied may be carried forward for 15 succeeding income years.

## Applicable to Credits Claimed in or after Income Year 2013

Any remaining tax credit balance that exceeds the tax credit applied may be carried forward for 25 succeeding income years. No carryback is allowed.

## Definitions

Donation of open space land means the value of any land conveyed without financial consideration, or the value of any discount of the sale price in any sale of land or any interest in land, to the state, a political subdivision of the state, or a nonprofit land conservation organization, where the land is to be permanently preserved as protected open space or used as a public water supply source.
Donation of land for educational use means the value of any land or interest in land conveyed without financial consideration, or the value of any discount of the sale price in any sale of land or interest in land, to any town, city, or borough, whether consolidated or unconsolidated, and any school district or regional school district for the purposes of schools and related facilities.
Use value means the fair market value of land at its highest and best use, as determined by a certified real estate appraiser.
