

FREEDOM OF INFORMATION COMMISSION  
OF THE STATE OF CONNECTICUT

In the Matter of a Complaint by

FINAL DECISION

W. Mike Stone,

Complainant

against

Docket #FIC 2017-0262

Chairman, Board of Fire Commissioners,  
Thompsonville Fire District; and  
Board of Fire Commissioners,  
Thompsonville Fire District,

Respondents

April 25, 2018

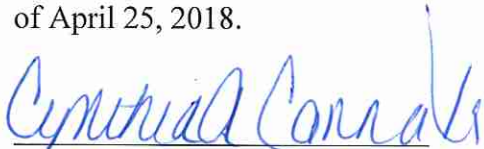

The above-captioned matter was heard as a contested case on July 24, 2017, at which time the respondents appeared but the complainant failed to appear. Respondents' counsel represented that the parties were seeking a resolution of the matter, and that the complainant may have believed that a resolution had been reached, thus not appearing. Respondents' counsel requested that the matter not be dismissed for the complainant's failure to appear.

Subsequently, the complainant wrote to the Commission, withdrawing his complaint, and representing that the respondent Fire District had agreed to a training session by a Commission representative. The Commission takes administrative notice of his letter of withdrawal.

The following order by the Commission is hereby recommended on the basis of the record concerning the above-captioned complaint:

1. The complaint is dismissed.

Approved by Order of the Freedom of Information Commission at its regular meeting of April 25, 2018.
