The Honorable Christopher G. Donovan
Speaker of the House
Connecticut General Assembly

The Honorable Lawrence F. Cafero Jr.
House Minority Leader
Connecticut General Assembly

The Honorable Donald E. Williams, Jr.
President Pro Tempore
Connecticut General Assembly

The Honorable John McKinney
Senate Minority Leader
Connecticut General Assembly

This report fulfills the statutory responsibility of the Office of Policy and Management pursuant to C.G.S. § 4-70b(c) to report on the Purchase of Service contracting activity of State agencies.

The statute generally provides that the Secretary of the Office of Policy and Management shall submit a report annually to the General Assembly summarizing information regarding Purchase of Service contracts for the preceding fiscal year.

This report seeks to provide information to state legislators, policymakers, and the public about state agencies' Purchase of Service activity for State fiscal year 2010.

We welcome your questions and comments.

INTRODUCTION

A. Purpose

This document summarizes information regarding Purchase of Service (POS) contracts of State agencies for State fiscal year 2010.

B. Background

A POS contract is a contract between a State agency and a private provider organization or municipality for the purpose of obtaining direct health and human services for agency clients. The contract generally is not used for the sole purpose of purchasing administrative or clerical services, material goods, training and consulting services. POS contracts cannot be used to contract with individuals.

Using the Office of Policy and Management (OPM) standard contract template, an agency may enter into a POS contract for a single year or for multiple years. It may be either a competitive or non-competitive contract. A contract may cover a number of services and be amended for a variety of reasons during its term.

There are six major human service agencies in the current POS system: Department of Children and Families, Department of Correction, Department of Developmental Services, Department of Mental Health and Addiction Services, Department of Public Health, Department of Social Services. In any given year these agencies purchase, through more than a fifteen hundred contractual agreements, a variety of health and human services.

C. Statutes

C.G.S. 4-70b requires the Secretary of the Office of Policy and Management to “establish uniform policies and procedures for obtaining, managing and evaluating the quality and cost effectiveness of human services purchased from private providers”. Further, the Secretary is required to “ensure all state agencies which purchase human services comply with such policies and procedures” and to report annually to the General Assembly on the status of the POS system.

C.G.S. 4-230 to 4-236 requires nonprofit organizations that receive more than \$100,000 in combined state and federal funds in any fiscal year to submit to a uniform audit within six months of the close of the contract. The Office of Policy and Management administers the State Single Audit for municipalities and non-profit entities. Additionally, the Secretary of OPM is required to “adopt regulations establishing uniform standards which prescribe the cost accounting principles to be used in the administration of state financial assistance by the recipients of such assistance”.

An Attorney General’s opinion dated November 9, 2005 stated that there is no legal distinction between a POS contract and a Personal Service Agreement (PSA). It also stated that the statutes that apply to PSAs, CGS 4-212 et seq., also apply to POS contracts. Subsequent to this opinion, OPM implemented a POS request system that requires agencies to submit requests to OPM prior to entering into POS contracts. Also, OPM is currently reviewing the competitive procurement process of state agencies for POS contracts.

D. Recent POS Activity

More than a decade since its inception, the POS project continues to build upon past standardization efforts. Examples of recent efforts include the following:

- Monthly, convenes a meeting of the **State's contract managers** from the six major health and human services agencies to discuss and resolve issues of mutual concern. Agencies include the Departments of Social Services (DSS), Developmental Disabilities (DDS), Public Health (DPH), Mental Health and Addiction Services (DMHAS), Children and Families (DCF), and Correction (DOC).
- On an ongoing basis, maintains communications with the **Connecticut Nonprofit Human Services Cabinet** ("Nonprofit Cabinet"), a statewide coalition comprised of 20 nonprofit human service associations and organizations representing approximately 800 providers. The purpose is to promote their members' understanding of and compliance with the State's contracting requirements.
- As required, coordinates any updates or revisions of the State's **standard contract** for POS with the Attorney General's Office, the six POS agencies, and the Nonprofit Cabinet.
- As required, assists OPM's legal counsels with developing and maintaining contracting forms required by State statutes or the Governor's Executive Orders, including **ethics affidavits** and **nondiscrimination certifications**.
- Provides staffing for various initiatives to promote **statewide planning and standardization** of the State's (currently decentralized) contracting processes for POS. Past efforts included, but are not limited to, developing POS Cost Standards, coordinating the development of agency procurement plans and creating a Request For Proposal template. Current efforts include standardizing the budgeting and financial reporting requirements associated with POS contracts.

E. Scope and Methodology

This report describes the contracting activities of executive branch agencies with respect to Purchase of Service contracts for SFY2010. Activities of the legislative and judicial branches of state government are excluded from this report.

The data represented in this report is captured from Core-CT, the statewide financial system. Agencies are required to enter POS contracts into the procurement contracts module within Core-CT. The data presented in this report is only as accurate as the data entered by State agencies into Core-CT. Core-CT Structured Query Reports (SQR) are utilized to extract the contract data for this report.

OPM summarizes the information obtained from Core-CT and submits an annual report to the General Assembly. The data in this report represents POS contracts that were in effect during SFY2010. POS contracts can range from a few months to several years in duration. Accordingly, the total dollar amount of a POS contract may represent several years of activity. Also, many POS contracts overlap during a fiscal year. For example, if a POS contract ends December 31st and a new contract starts with the same provider on January 1st, then two contracts (and two contract amounts) would be included in this report. Due to these factors, this report represents several years of POS contracting activity, not just annual activity.

The number of contracts for the Department of Social Services (DSS) decreased this year (515) from last year (873). This is due in part from DSS changing their contracting process from annual contracts to multi-year contracts. The total contract amount for DSS increased substantially this year (\$3.685 billion) as compared to last year (\$1.882 billion). This is due to the new multi-year contracting process and also to the consolidation of the Children's Trust Fund (100 contracts, \$49 million) into DSS.

The payment amounts presented in this report are payments made by State agencies to Purchase of Service contractors during SFY2010. Please note that annual payment amounts are often substantially less than the total contract amounts. This is due to the fact that the annual contract amounts represent more than one year of contracting activity while the payment amounts represent activity for one year. For this reason, the annual payment amounts are a better gauge of annual contracting activity.
