Grades K–5

Systems of Professional Learning

Connecticut Core Standards Systems of Professional Learning

The material in this guide was developed by Public Consulting Group in collaboration with staff from the Connecticut State Department of Education and the RESC Alliance. The development team would like to specifically thank Ellen Cohn, Charlene Tate Nichols, and Jennifer Webb from the Connecticut State Department of Education; Leslie Abbatiello from ACES; and Robb Geier, Elizabeth O’Toole, and Cheryl Liebling from Public Consulting Group.

The Systems of Professional Learning project includes a series of professional learning experiences for Connecticut Core Standards District Coaches in English Language Arts, Mathematics, Humanities, Science, Technology, Engineering, Mathematics (STEM), and Student/Educator Support Staff (SESS).

Participants will have continued support for the implementation of the new standards through virtual networking opportunities and online resources to support the training of educators throughout the state of Connecticut.

Instrumental in the design and development of the Systems of Professional Learning materials from PCG were: Sharon DeCarlo, Debra Berlin, Mary Ellen Hannon, Jennifer McGregor, Judy Buck, Michelle Wade, Nora Kelley, Diane Stump, and Melissa Pierce.

Give One, Get One, Move On

DIRECTIONS: PART 2

1. After completing the table below, stand up and “mill about” the room.
2. At the facilitator’s signal, stop, find a partner, and take turns sharing and explaining one of your priority topics.
3. Be brief. Soon the facilitator will request that you begin “milling about” again.
4. This will be repeated several times to ensure that participants have ample opportunity to share.

Topic or Activity	Why Is This a Priority?	How Can it Be Shared	Additional Coaching Skills Needed
