

STATE OF CONNECTICUT

DEPARTMENT OF EDUCATION

TO: Local School Business Officials

FROM: Nora Chapman *nc*
Supervising Accounts Examiner, Office of Internal Audit

DATE: August 29, 2019

SUBJECT: Audit Requirements – 2018-2019 Audits of Federal Awards
and State Financial Assistance

The purpose of this letter is to advise grantees of the Connecticut State Department of Education (CSDE) of the audit requirements associated with Federal Awards and State Financial Assistance. A copy of this letter and the attachments should be provided to your auditor.

Please note that every entity which has received funding from the CSDE must submit the following:

- **A Federal Single Audit if their expenditures meet or exceed \$750,000.**
- **A State Single Audit if their expenditures meet or exceed \$300,000.**
- **A Notification of Exemption for either the Federal Single Audit and/or State Single Audit (if their expenditures are below the applicable thresholds).**

I. Federal Awards

Audits must be conducted on the expenditure of all U.S. Department of Education (USDE) Awards, U.S. Department of Health and Human Services (HHS) and U.S. Department of Agriculture (USDA) Awards (Child Nutrition funds), in accordance with the Office of Management and Budget's (OMB) December 26, 2013 release of the Uniform Guidance for Federal Awards (Uniform Guidance) pursuant to the Single Audit Act Amendments of 1996. Audits must be submitted no later than six months after the close of the entity's fiscal year.

If the entity operates on a fiscal year which is other than July 1 - June 30, please notify the Office of Internal Audit in writing of the date of the fiscal year end. If you have notified us previously of your entity's fiscal year end, you need to provide this information again only if the fiscal year end has changed.

Code of Federal Regulations (CFR)

The Uniform Guidance contains the set of cost principles and audit requirements that apply to grants and subgrants awarded to non-federal entities. Information regarding Grants Management Circulars and Uniform Guidance may be found at:

- www.whitehouse.gov/omb/circulars
- [Electronic Code of Federal Regulations](#)

Schedule of Expenditures of Federal Awards (SEFA)

The purpose of the SEFA is to report distributions of federal awards. Separate schedules are required for expenditures of Federal Awards and expenditures of State Financial Assistance. It is imperative that the SEFA accurately identifies all federal programs. To this end, please report the proper Catalog of Federal Domestic Assistance (CFDA) numbers and account codes for all grant programs listed.

Additionally, OMB Uniform Guidance §200.500 (b) (1) now requires that the SEFA include the total amount provided to sub-recipients from each Federal program.

The following may assist you in the completion of your SEFA:

- Attachment I contains a table that lists the CFDA title and number in addition to the CSDE award name and CORE-CT number. Please refer to this information when preparing the SEFA. The 2018-2019 Grant Award Listings are available on the CSDE web site at the Bureau of Fiscal Services' (BFS) Grant Payment Reports page:
<http://www.csde.state.ct.us/public/dgm/grantreports1/paydetlMain.aspx>
- Attachment II contains instructions for accessing and printing the 2018-2019 Grant Award Listings.

Important Note: Emergency Impact Aid for Displaced Students (EIA) – CFDA# 84.938C

This program awarded grants to eligible State Education Agencies to enable them to make emergency impact aid payments to eligible LEAs for the cost of educating during the 2017-2018 school year, public and non-public school students displaced by Hurricanes Harvey, Irma, and Maria, or the 2017 California wildfires for which a major disaster or emergency has been declared.

As EIA payments to LEAs were made in September 2018, Connecticut grantees may have elected to report EIA expenditures on either their fiscal year 2017-2018 or 2018-2019 Schedule of Expenditures of Federal Awards.

All grantees who did not report EIA expenditures in the previous fiscal year must report their EIA expenditures in their Schedule of Expenditures of Federal Awards for fiscal year 2018-2019.

Please note that the revised (July 2019) 2 CFR Part 200 OMB Compliance Supplement (Appendix XI) contains important information regarding EIA compliance, reporting and auditing requirements.

Audit Exemption

A non-Federal entity that expends less than \$750,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, however records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO).

Notifications of Exemption must be made in writing to the Office of Internal Audit (email to sde.audit@ct.gov) no later than six (6) months after the end of the entity's fiscal year and include a statement of the amount of federal awards expended.

II. State Financial Assistance

State Financial Assistance provided by the CSDE to municipalities for fiscal years which began on or after July 1, 2018 is to be audited pursuant to the 2009 revisions to the State Single Audit Act, Sections 4-230 through 4-236 of the Connecticut General Statutes (CGS), and applicable regulations:

- Non-state entities that expend \$300,000 or more in its fiscal year in State Financial Assistance must have a state single audit performed. Under certain circumstances, an auditee may elect to have a program-specific audit conducted. CGS Section 4-231 should be consulted for specific guidance relative to this option.
- Additional information regarding the legislative revisions to the State Single Audit Act may be found in Part i – Introduction of the [Compliance Supplement](#).

Schedule of Expenditures of State Financial Assistance

The purpose of the Schedule of Expenditures of State Financial Assistance is the reporting of distributions of state financial assistance. As previously mentioned, separate schedules are required for expenditures of Federal Awards and expenditures of State Financial Assistance.

Additionally, the Compliance Supplement now requires grant recipients to report the amounts they have passed through to subrecipients on the Schedule.

The following may assist you in the completion of your Schedule of Expenditures of State Financial Assistance:

- An illustrative schedule can be found as Example 4 in “Part 9 – Illustrative Auditor’s Reports and Schedules for Local Governmental Entities - Municipalities and Audited Agencies and Nonprofit Organizations,” of the “Compliance Supplement to the State Single Audit Act for Fiscal Years Beginning On or After July 1, 2018” issued by the state Office of Policy and Management.
- Attachment II contains instructions for accessing and printing the 2018-2019 Grant Award Listings. A listing which identifies State Financial Assistance is available on the CSDE web site at the BFS’s Grant Payment Reports page:
<http://www.csde.state.ct.us/public/dgm/grantreports1/paydetlMain.aspx>
- Attachment III contains a table that lists the CSDE award name and CORE-CT number. Please refer to this information when preparing the Schedule of Expenditures of State Financial Assistance.

Audit Exemption

A non-state entity that expends less than \$300,000 in its fiscal year in State Financial Assistance is exempt from the state audit requirements for that year. A State Single Audit Filing Exemption Notification must be submitted (See [Compliance Supplement](#)– Part 16) to the Office of Policy and Management (OPM) no later than sixty (60) days subsequent to the entity’s fiscal year end. Additionally, records must be available for review or audit by appropriate officials of the state agency.

Notifications of Exemption must be made in writing to the Office of Internal Audit (email to sde.audit@ct.gov) no later than six (6) months after the end of the entity’s fiscal year and include a statement of the amount of State Financial Assistance expended.

III. Audit Responsibility of Town’s within Regional School Districts for Federal and State Prepayment Grants

It is the responsibility of the grantee, as designated on the grant award letter, to provide an audit of financial awards/assistance. A question regarding audit responsibility sometimes arises in the situation where multiple grantees are members of the same secondary regional school district.

In some instances, each grantee may receive prepayment grants from the CSDE. Each grantee then gives its grant funds to the regional school district which contracts to operate the program and expend the funds on behalf of the individual grantees. In these cases, each grantee is responsible

for providing an audit of its financial awards/assistance even though program disbursements were made by the regional school district. This may be accomplished by one of the following:

- (a) The regional school district may provide a schedule of expenditures and audit report to each grantee subject to the approval of each grantee's audit firm. Each audit firm may submit the region's audit as an addendum to its audit report for the grantee. Please note that each grantee must provide an audit of its own financial awards/assistance, and its audited grant expenditures are not to be commingled with expenditures from funds of other grantees.
- (b) In the absence of an audit report from the regional district, the grantee's auditor must examine the regional district's records and include a Statement of Cash Receipts, Total Expenditures, and any findings in the schedule submitted to the CSDE.

It is not sufficient to submit an audit report of CSDE funds indicating a lump sum amount as "expenditures" to another agency or institution.

IV. Resolution of Differences Between Audit Amounts and Amounts Filed on Statement of Expenditures Report (ED-141) for Federal and State Grant

Any differences between the ED-141 filed by the grantee with the CSDE and the audit report must be reconciled and resolved immediately. To facilitate this reconciliation process, the auditee must list the amount of the awards expended for each award year separately. If necessary, the grantee must file a revised ED-141 with CSDE.

V. Audit Report Submission Instructions

Audit reports must be submitted no later than December 31, 2019 via the Electronic Audit Report System (EARS). For entities that do not have a June 30th fiscal year end, audit reports must be submitted six months after the close of the fiscal year or by the extension date granted by the cognizant state agency.

Electronic Audit Report System

EARS is a web site made available by OPM to provide independent auditors an electronic process for uploading audit reports of their clients on-line. In addition, EARS allows State grantor agencies and the public to access and view the reports that have been filed.

- The filing on EARS for all parts of the audit reporting package to be submitted to OPM is mandatory. **This includes corrective action plans in response to audit findings.**
- The EARS can be accessed at www.appsvcs.opm.ct.gov/Auditing/Home.aspx. Please contact the Municipal Finance Services Section of the Office of Policy and Management at 860-418-6400, if you should encounter any problems or have any questions.
- EARS also allows for the filing of financial audit reports and federal single audit reports that would normally be filed with other state agencies whether or not a State Single Audit report is being filed.
- Once an electronic version of the reports has been submitted on EARS, no other Single Audit submission directly to CSDE is required.
