Hi, all -

I'm attaching the district spreadsheet for Westbrook. Note that the totals will not match other forms since this spreadsheet did not have any place for EDR's. (I did add them in so I could verify all the totals, but then took them out for the final version.)

Also attached is a corrected return. The corrections to the Foley/Somers and Courtney totals are because of an allocation error (computations were erroneously based on one district, not two). The remainder of the corrections were a combination of the wrong total being reported for District 2 and the allocation changes that occurred when the districts were allocated separately rather than based on the town total.

This turned out to be a real bear. I put in 6 1/2 hours.
