CERTIFICATE for CLOSING of the POLLS

We, the undersigned Election Officials certify that after the polls were closed, the voting tabulator was closed and secured against further voting in accordance with the closing procedures in Appendix D.

We further certify that the memory card seal on the front of the tabulator had not been broken.

We further certify that the Moderator fed all remaining ballots that were eligible to be counted into the tabulator for processing.

We further certify that the tabulator thereupon produced an "ELECTION RESULTS REPORT" setting forth: the town, voting district, election date and vote totals for each candidate and question on the ballot.

We further certify that any ballots which could not be processed by the tabulator and any ballots containing writing in votes were hand counted by two election officials from different parties.

We further certify the number on the public counter after all ballots that could be fed into the tabulator were processed, the number on the seal applied to the ballot transfer case(s) and tabulator carrying case(s), and the number of absentee and election day registration ballots (if counted at this location) which were tabulated processed in whole or in part as recorded below.

Once all votes for each candidate and question have been counted either by tabulator or by hand all vote totals were recorded on the tally sheet and all final vote totals for each candidate and question were announced by the Moderator to all those present.
