Environmental Assessment Factors [Ref. 40 CFR 1508.8 &1508.27]

Recorded below is the qualitative and quantitative significance of the effects of the proposal on the character, features and resources of the project area. Each factor has been evaluated and documented, as appropriate and in proportion to its relevance to the proposed action. Verifiable source documentation has been provided and described in support of each determination, as appropriate. Credible, traceable and supportive source documentation for each authority has been provided. Where applicable, the necessary reviews or consultations have been completed and applicable permits of approvals have been obtained or noted. Citations, dates/names/titles of contacts, and page references are clear. Additional documentation is attached, as appropriate. **All conditions, attenuation or mitigation measures have been clearly identified.**

Impact Codes: Use an impact code from the following list to make the determination of impact for each factor.

- (1)** Minor beneficial impact
- (2)** No impact anticipated
- (3)** Minor Adverse Impact – May require mitigation
- (4)** Significant or potentially significant impact requiring avoidance or modification which may require an Environmental Impact Statement

Cumulative Impact Analysis:

Identify below the cumulative impact on the environment that will result from the incremental impact of the action when added to other past, present, and reasonably foreseeable future actions regardless of what agency (federal or non-federal) or person undertakes such actions. Cumulative impacts can result from individually minor but collectively significant actions taking place over time.

Alternatives:

Identify below other reasonable courses of action that were considered and not selected, such as other sites, design modifications, or other uses of the subject site. Include the benefits and adverse impacts to the environment of each alternative, and the reasons (e.g., economic, engineering, or others) for rejecting it.

No Action Alternative:

Identify below the "no action" alternative, describing the most likely conditions expected to exist in the future in the absence of the implementation of any action.

Additional Studies Performed:

Field Inspection (Date and completed by):

List of Sources, Agencies and Persons Consulted:

List of Permits Obtained:

Provide a list of permits, reviews, and approvals that are required for project construction.

Public Outreach [24 CFR 50.23]:

Provide your FONSI/FOSI notice dissemination list. Also, describe any additional public meetings and hearings that were held as part of or were relevant to the environmental review.

Summary of Findings and Conclusions:

Identify below the main points of analysis in the Environmental Assessment. The summary should include any potential impacts of the proposed project, both beneficial and potentially adverse. The summary must also discuss any changes to the proposal necessary to avoid significant impacts.

Mitigation Measures and Conditions [40 CFR 1505.2(c)]

Summarize below all mitigation measures adopted by the Responsible Entity to reduce, avoid, or eliminate adverse environmental impacts and to avoid non-compliance or non-conformance with the above-listed authorities and factors. These measures/conditions must be incorporated into project contracts, development agreements, and other relevant documents. The staff responsible for implementing and monitoring mitigation measures should be clearly identified in the mitigation plan.

Sample Notice of Finding of No Significant Impact and Notice of Intent to Request a Release of Funds

The language below is HUD's recommended wording of the combined Notice of Finding of No Significant Impact and Notice of Intent to Request a Release of Funds. This Notice is used for projects requiring an Environmental Assessment (24 CFR Part 58, Section 58.36]. Words in **bold type** are required language. Words in *italics* are to be replaced by language appropriate to the particular project and Responsible Entity.

NOTICE OF FINDING OF NO SIGNIFICANT IMPACT AND NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

Date of Notice

Name of Responsible Entity [RE]

Address (e.g., Street No. or P.O. Box)

City, State, Zip Code

Telephone Number of RE

These notices shall satisfy two separate but related procedural requirements for activities to be undertaken by the name of RE or grant recipient.

REQUEST FOR RELEASE OF FUNDS

On or about *at least one day after the end of the comment period* **the name of RE will if the RE is not also the grant recipient, insert the following language here: "authorize the [name of grant recipient] to"** **submit a request to the HUD/State administering agency for the release of name of grant program funds under Title/Section [] of the name of the Act of [year], as amended, to undertake a project known as project title for the purpose of nature/scope of project, estimated funding (include non-HUD funding sources if applicable) and project location if applicable.**

FINDING OF NO SIGNIFICANT IMPACT

The name of RE has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at name and address of RE office where ERR can be examined and name and address of other locations where the record is available for review and may be examined or copied weekdays __A.M to __P.M.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments on the ERR to the RE designated office responsible for receiving and responding to comments. All comments received by if notice is published: publication date plus fifteen days; if notice is mailed and posted: mailing and posting date plus eighteen days will be considered by the name of RE prior to authorizing submission of a request for release of funds. Comments should specify which Notice they are addressing.

ENVIRONMENTAL CERTIFICATION

The name of RE certifies to HUD/State that name of Certifying Officer in his/her capacity as Official Title consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's State's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the name of grant recipient to use Program funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD/State will accept objections to its release of fund and the RE's certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of the name of RE; (b) the RE has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD/State; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to HUD/State administration office at address of that office. Potential objectors should contact HUD/State to verify the actual last day of the objection period.

Name and Title of RE Certifying Officer

Note: The fifteen or eighteen-day public comment periods are the minimum time periods required by regulation prior to submission of a Request for Release of Funds and Certification (form HUD-7015.15) to HUD/State. The Responsible Entity may choose to allow a longer comment period. 24 CFR Part 58 requires, at Section 58.46, "Time delays for exceptional circumstances," a 30-day comment period for controversial or unique projects or those similar to projects normally requiring preparation of an Environmental Impact Statement. The fifteen-day objection period is a statutory requirement. The objection period follows the submission date specified in the Notice or the actual date of receipt by HUD/State, whichever is later.

Following completion of the comment period recipients may FAX the form HUD-7015.15 to HUD/State together with a copy of the public notice and a cover letter stating whether comments were received and, if so, how the recipient responded to the

comment. The Request for Release of Funds and Certification should not be submitted before the recipient has responded. If the request is sent by FAX, the original signed form should be mailed to HUD/State. The date of receipt by FAX will be counted as the submission date. However, HUD will not issue the 7015.16 "Authority to Use Grant Funds" until after the original signed form is received.
